A request from the Keilor Campus Library

This year in the Keilor Campus Library, we would like to have more of a “creator” approach during lunchtimes and give students the opportunity to make and create. To facilitate this, we are requesting donations of Lego, dominoes and Jenga sets that you may have in your cupboards at home that your children no longer need.

If you have donations, please contact joy.whiteside@overnewton.vic.edu.au

Thank you very much from the Keilor Campus Library team.

CHIBOBO NEWS

CHIBOBO HIGH SCHOOL BECOMING A REALITY

Construction of the Chibobo High School has commenced. The container that was sent in Term 4 arrived in early January, with the old Overnewton Junior School tables being distributed to local primary schools, especially those with nursery (Prep) classes. Stage 1 of Chibobo High School includes five staff houses, a 1 x 3 classroom block, two room specialist block and toilets. The houses are almost complete to gable level and the foundations are being laid for the two classroom blocks. This is in preparation for a team from local Victorian churches that is travelling to Chibobo for three weeks in March to erect the framework for the classrooms and put the roofing frames on the houses.
**How can you help our work at Chibobo?**

Overnewton's work at Chibobo relies on the support from our community. Over the past 10 years people have been very supportive, and we have achieved many advances in the Chibobo community. 100% of any donations go to Chibobo and there are no administrative fees. You can organise either regular or one-off donations via the Keilor Campus reception. We currently require funds to complete Stage 1 of the Chibobo High School.
