Requests for Classroom Assistance
Family Contribution Scheme

This page includes request for help with excursions, camps, sports activities and other class related activities for both campuses.

CLASSROOM ASSISTANCE

Classroom Assistance positions for both Keilor and Taylors Lakes Campuses will be advertised through Whispers on a weekly basis. Most positions require a regular weekly commitment for the whole year, although in specific cases you may be able to alternate with another parent or join a roster. You are invited to apply for any position, even if your child is at another campus or different year level. Please note that the person you will be telephoning is a parent fulfilling their 18 hour commitment, so please do not phone before 7.15am or after 9.00pm. Younger siblings or sick children cannot accompany parents whilst on duty. A blue Classroom Assistance folder is kept at the front office at each campus to record your hours.

Recording Hours
A reminder to parents that it is your responsibility to record your own hours for classroom assistance and excursions in the folder at the front office labelled Classroom Assistance. Please ensure you write legibly and include details of your child, including the surname if you have a different name to your child, and your home telephone number. These hours are collated at the end of each term.

Working with Children Check
It is a Victorian Government requirement that all adults working with children have a current Working with Children Check with Overnewton College listed as a volunteer organisation. If you need to amend your details to include Overnewton College please go to the website www.workingwithchildren.vic.gov.au click on Update My Details, click again on Update My Details, and then register for My Check which allows you to update organisation immediately on-line. You will then receive an email detailing the change which you can then forward to the school or relevant Parent Co-ordinator. Please ensure you have your card number or Post Office Receipt number and expiry date when you phone to register your name.

TIPS FOR RECORDING YOUR FAMILY CONTRIBUTION SCHEME HOURS

When you organise or contribute hours towards the Family Contribution Scheme **ALWAYS** ask the person who is allocating the task, ‘**Where should I record in my hours?**’. Make sure you **write you name clearly** and **include your child’s name if it is different to your own**. Include your **home telephone number** also, to help us allocate your hours correctly.

**Signing the security book does not mean your hours have been recorded.**
