Overnewton Road Bus Stop

I was advised on Wednesday afternoon that all bus drivers returning students to Keilor Campus from sport training had nowhere to park on the Overnewton Road bus stop. All of the bus parking area was taken up by parents’ cars. The buses clearly cannot be double-parked and the drivers cannot be expected to keep driving up and down until there is a legal spot for them to pull into. I will be contacting the Brimbank traffic administrators in order to have their officers book cars using the bus stop (at any time of the day).

Please do not park on the Overnewton Road bus stop at any time.

Social Fundraising Team - Whole College - Help!

Our social fundraising team is a new group of parents who have come together this year and are looking to deliver some fun “social” events for our school.

We will be holding a meeting at the Taylors Lakes Hotel on Tuesday 4th March at 7.30pm and encourage any parents who are interested in helping this group to execute some great functions to come along.

This is a great way for parents to meet, and be involved in something that is fun and exciting for the school.

Hours spent attending this meeting will contribute toward the Family Contribution Scheme.

If you would like more information, please contact Amanda Thorley at amanda.thorley@bigpond.com or 0416260702

**Do you need hours and enjoy a walk?**

Then the "Walking School Bus" is for you!

The Taylors Lakes Campus Walking School Bus is always looking for walkers to drive or conduct our buses. It's a great way to start the day for both you and your children and it goes towards your Family Contribution Scheme commitment. (Hours are calculated at double the walk length).

We have three buses operating. The "Wakelin Walkers" bus leaves from Wakelin Crescent. The "Murchison Marchers" bus meets at the car park behind Hungry Jacks. Route 3 starts at Wellesley Drive and goes straight along Palmerston Crescent. The more Driver's and Conductors we have the more walks we can offer.

Are you looking for a different way to do your hours? Do you enjoy socialising with friends and planning fun events?

This job is for you! The social fundraising team is looking for a number of helpers this year to bring some amazing and fun social events to the Parents and Friends of our wonderful College.

We have four co-ordinator roles (two at Keilor Campus and two at Taylors Lakes Campus) and a number of support roles to fill.

I am looking for one co-ordinator from each campus to support the “Overnewton Ball”. The community has asked for the “Ball” to return this year so I am looking for two parents to step up and take on this exciting challenge. You will be able to build a team of support to help in organising this wonderful event! There are many opportunities to make this event great, we just need parent help to get there!

I am also looking for one co-ordinator from each campus to support another social event this year. Last year our High Tea and Trivia Night were both very successful events, so we would like to consider organising either of these again this year. Once again you will have the ability to build a support team to work with you on creating a wonderful fundraising event for the College.

If any of these roles interest you, please contact Amanda at amanda.thorley@bigpond.com or 0416 260 702.

We need your help and we need it now!

This year in the Keilor Campus Library, we would like to have more of a “creator” approach during lunchtimes and give students the opportunity to make and create. To facilitate this, we are requesting donations of Lego, dominoes and Jenga sets that you may have in your cupboards at home that your children no longer need.

If you have donations, please contact joy.whiteside@overnewton.vic.edu.au

Thank you very much from the Keilor Campus Library team.

2014 Parent Workgroup Co-ordinator List is now available

Copies can be collected from the main reception at both campuses if you have not already received one via email.
