**Level 2 First Aid Training**

**Staff and parents from Overnewton are invited to attend a Level 2 First Aid session run by National First Aid**

**Saturday 21st February 2015, 9.00am-4.30pm, Richardson Centre, Keilor Campus**

The new revised Level 2 program is now called Provide First Aid (HLT/AID003) and offers the skills and knowledge required to provide a basic first aid response, emergency life support and management of casualty(s), the incident and other first aiders until the arrival of medical or other assistance. The competencies are recognised as a benchmark standard satisfying training requirements across many occupational qualifications and industries.

As the program will be completed in one day, participants are required to complete a pre-course question paper, which needs to be presented to the trainer at the commencement of the program on the training day. The assessment can be completed on line at [http://bit.ly/oaccfirstaid](http://bit.ly/oaccfirstaid).

Parents can either choose to pay for the course or have the course paid for by the College. In the latter instance, parents must commit 12 hours per term for three years in the First Aid room (excluding camps).

Participants will also need to apply for a Unique Student Identifier (USI) number in order to undertake the course. USI’s can be accessed at [http://www.usi.gov.au/Pages/default.aspx](http://www.usi.gov.au/Pages/default.aspx).

To register your interest in the course, please send an email to Margaret Cummings by Thursday 19th February.

If you have any queries about the course, please contact Tim Jezard on 9334 0000.

Parent Email Accounts on Student iPads

Teachers have noticed that a small number of students in Years 3 to 8 have iPads at school that have previously been loaded with one of their parents' email accounts. This means that the student can access all of the parent's emails during the school day. In particular, emails between teachers and parents via the parents' personal email address may be read by the student. Further, your child is able to delete your emails as well as send emails from your account.

To remove your email account from your child's iPad, please follow these steps:

1. From the Home screen, tap Settings.
2. Tap Mail, Contacts, Calendars.
3. From the Accounts section, tap an email account.
4. Tap Delete Account.
5. Tap Delete Account.
